WONG CHUK HANG ROAD

黃竹坑道 23 號

THE ART OF PREMIUM SPACES

A LOCATION EMBRACED BY NATURE

Wong Chuk Hang has beautiful natural landscapes along with a vibrant historical and cultural background. “23 Wong Chuk Hang Road” is situated in the strategic geographical location of Southern District. The locale benefits from the thriving urban development of Wong Chuk Hang while remaining closely connected to its neighbouring lush green mountains.*

The photo was taken on 23 July, 2022 on Roof of the Development.

*The view may be affected by the floor on which the property is located, the orientation of the property and the surrounding buildings and environment, and the view from each property is different. The surrounding buildings and environment may change from time to time. The Vendor does not give any express or implied offer, undertaking, representation or warranty, in relation to the view.
The photo has been edited and processed with computerized imaging techniques, and is for reference only. It does not constitute and shall not be construed as constituting any offer, undertaking, representation or warranty, whether express or implied. The environment as shown in the photo taken at the Development may change from time to time. The Vendor recommends prospective purchasers to visit the development site for on-site inspections to have a better understanding of the development site, its surrounding environment and nearby public facilities.

DESIGN CONCEPT

THE AMBASSADOR

The award-winning interior design is based on the concept of “The Ambassador,” featuring materials and artworks around the world. Artists were invited to create a bespoke series of paintings showcasing the Wong Chuk Hang scenery for the lobby. These creative elements add knowledge, sophistication and a cultural aspect to the space, and resonate with visitors as an ambassador.

THE ART CONNECTION

Visitors are welcomed with a gallery of specially crafted paintings at the lobby entrance. The artwork showcases the captivating aesthetics and historical presence of Wong Chuk Hang over the years. Fusing the entrance with the cosmopolitan atmosphere of Wong Chuk Hang, the splendour of the artwork fills the high-ceiling lobby with creativity and reinforces the property's artistic atmosphere.

INVIGORATING ISLAND SOUTH

CENTRE OF DEVELOPMENT IN THE SOUTHERN DISTRICT - WONG CHUK HANG

Drawing from the successes of the “Energizing Kowloon East” initiative, the Chief Executive's 2020 Policy Address proposed the implementation of “Invigorating Island South” initiative to transform the Southern District into a new landmark for arts and culture, tourism, historical preservation and residential purposes. With the aid of policy support, Wong Chuk Hang is evolving into a new key destination for business and tourism on the Hong Kong Island.

Accelerating transformation

Over the past ten years Wong Chuk Hang, situated at the heart of Southern District, has been rapidly evolving since the opening of the South Island Line. The area has taken on a completely new look with towering commercial buildings and the completion of new hotels.

Investors see the development potential

Wong Chuk Hang's potential has attracted well-off families, seasoned investors and developers alike. They have taken the active role of revitalising and converting existing buildings into modern commercial properties. Upon the completion of “The Southside”, a large number of residents are expected to move into the area, which further accelerates the Wong Chuk Hang's transformation.

PREMIUM CEILING HEIGHT

Standard floor units come with an extra high floor-to-floor height⁺ of 4.75 meters, making the space flexible and suitable for a variety of purposes.

4.75 METERS⁺
FLOOR TO FLOOR HEIGHT

⁺Floor-to-floor height refers to the height difference between the top of the floor slab of a floor and the top of the floor slab of the upper floor (including the thickness of the floor slab of the upper floor). According to the floor, partition and architectural structure of individual units, each unit has different floor heights, and there may be different floor heights within the same unit. The above image is the computerized rendering of the unit. All renderings and the information contained therein are for reference only, and do not constitute or should not be construed as any offer, representation, undertaking or warranty, whether express or implied, as to the actual design, layout, partition, specifications, construction, location, features, plan, fittings, finishes, appliances, furniture, decoration, plant, landscaping and other objects of the Development or its surrounding area, facilities, buildings or structures. The photographs, images, drawings or sketches shown in this advertisement/promotional material represent an artist's impression of the development concerned only. They are not drawn or shown to scale and/or may have been edited and processed with computerized imaging techniques, and are for reference only. They do not constitute and shall not be construed as constituting any offer, undertaking, representation or warranty, whether express or implied. The Vendor recommends prospective purchasers to visit the development site for on-site inspections to have a better understanding of the development site, its surrounding environment and nearby public facilities.
